***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 2/22/2005 has been entered.

To clarify the record at this point in the prosecution, claims 11-86 are pending, of which claims 11-43 are withdrawn.

**EXAMINER'S AMENDMENT**

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William L. Chapin (Reg. No. 27,317) on 3/22/2005.

The application has been amended as follows:

**Claims 11-43 (cancelled).**

3. Claims 44-86 are allowed.

4. The following is an examiner's statement of reasons for allowance: The closest prior art has already been made of record. With respect to these references, applicant's arguments filed in

Art Unit: 1762

the above-mentioned submission are persuasive. The prior art neither teaches nor suggests a solid film that adheres sufficiently strongly to the stencil plate so as to be peeled *en masse*, with the stencil plate, from the object surface. The above examiner's amendment merely cancels non-elected claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
